Last reference. Letter no 488/373 dated the 28th November 1902, from the Deputy Commissioner, Shimoga District.

from the records that
the mussalmans were
reluctant to use the
above land allotted to
them for the purpose,
inasmuch as it was
close to the Hindu
burial ground,
enquired the Deputy

Sir,

With reference to your docket No. 1374 dated 16th February 1903 calling for information on certain points in connection with the alienation of portions of Survey No 122/2 of the Santebennur village in the Chennagiri Taluk for the Hindu and Mahomedan burial grounds, I have the honour to state that the Mahomedans of Santebennur object to Survey No 122/2 being assigned to them for a burial ground for the reason that the head of a male buffalo was buried in it by the Madigaru on the occasion of the last Mari Jatra. They have now selected

a plot measuring 3 acres out of Survey No 109 (Government waste) of the village measuring 14 acres and assessed at Rs 12/- for their burial ground. This piece of ground is reported to have been recently choded for this purpose at the time of the resurvey of the Taluk and the Amildar has inspected the site and approved of it. Being situate at a distance of about 3/4 of a mile from Santebennur, it is unobjectionable on sanitary grounds. The Mahomedans are reported to have already commenced burying their dead bodies there. As no interments are stated to have been made by the Mahomedans in Survey No 122/2 referred to in my previous letter, I beg that an extent of 3 acres may be granted to them out of Survey No 109 for their Kabrasthan.

2. The Hindus have been burying their dead bodies for the last 3 years in a portion measuring 3 acres and 23 guntas of Survey

No - 122/2 of the village which was recommended to be alienated to them. I now beg to recommend that the same may be kindly confirmed to them. The place is by the roadside and has been inspected by the 1st Assistant Commissioner.
